Dindin!
I was
wondering

It's not that I regret what had happened yesterday; She's all that I've been thinking about.

STOP!
Ack-- What am I thinking?!

So...
He's not in the junior classrooms...
Where could he be then? Maybe I'll check the library...

However...
As much as I want to be happy, I get the feeling this happiness is only transient.

...So what do I do now?

How am I supposed to

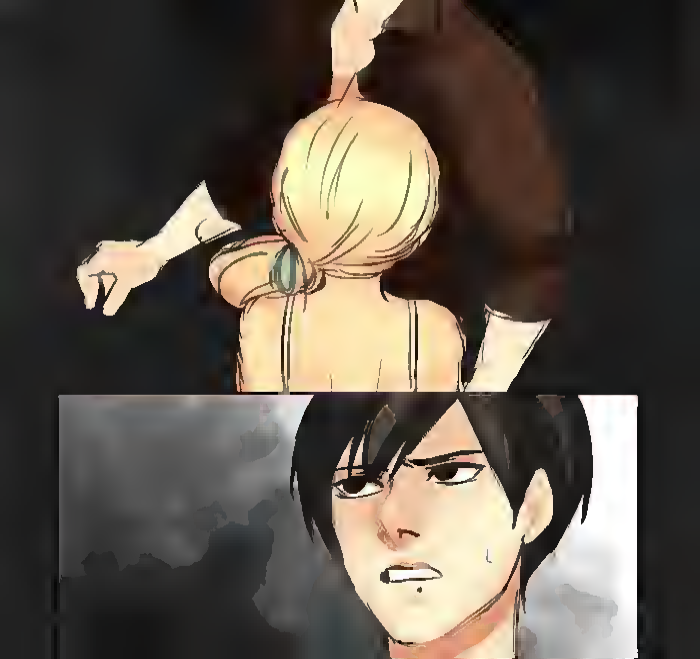
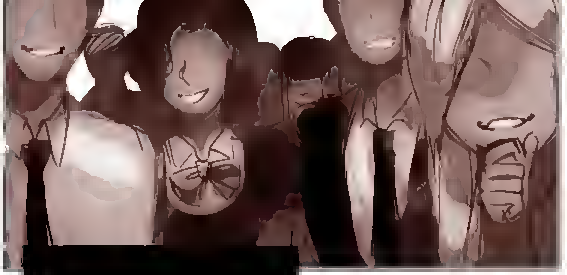
Geez...
That teacher gave me an earful just now.

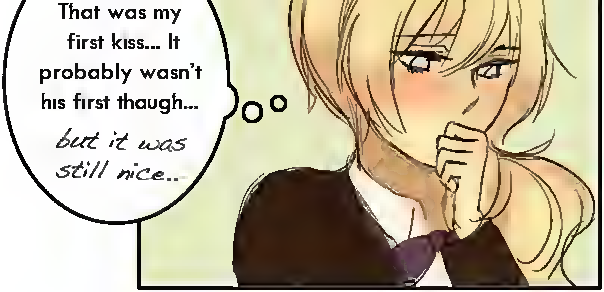
my office after class.



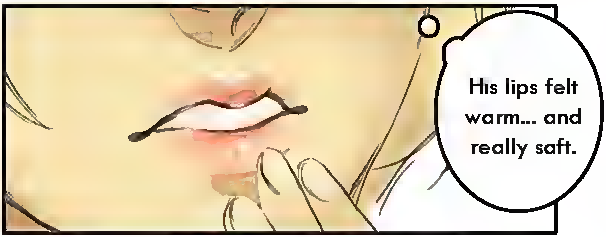


They won't hesitate to spread rumors about her. They'll *crush* her... and I'll only be dragging her down with me.

Not to mention



That was my first kiss... It probably wasn't his first though...
but it was still nice..



His lips felt warm... and really saft.

Ah...

Since I finished putting all thase up, I guess that makes me off SC duty early!
I should prabably return these

Before, let alone attempt a serious relationship with one.

Yawn~

But if people find out we're together, they'll all start talking.
